TABLE 3 NOTES

NOTE 1: For Retired Military Members (to include Guard and Reserve) of the Armed Forces Within 180 days of Retirement: Section 1111 of the FY17 National Defense Authorization Act eliminated the DoD's flexibility provided by paragraph (b)(3) of section 3326 of Title 5, U.S.C that allowed a retired member of the Armed Forces to be appointed to a position in the civil service (including non-appropriated fund instrumentality positions) during the 180 days immediately after the member's retirement (without a waiver).

NOTE 2: Veterans Opportunity for Work (VOW) Act of 2011 requires federal agencies to treat an eligible active duty service member as a veteran, disabled veteran, and preference eligible (as applicable) when applying for civil service positions before the effective release or discharge date. Appointment of military members before the release or discharge date is permissible if the member is on terminal leave. At the time the active duty member applies for a civil position, he or she must submit a "certification" memo in lieu of a DD Form 214, Certificate of Release or Discharge from Active Duty. Active duty members applying for a civil service position without submitting a valid certification memo or DD Form 214 with their application will render the member ineligible for the position. The certification memo must originate from the member's military service branch on official letterhead and contain the following:

- Name/Rank/Grade of Service Member
- Branch of Armed Forces
- Dates of Active Service (Start and End Date(s))
- Expected Date of Discharge/Release from Active Duty
- Terminal leave start date (if applicable)
- Expected character of service/discharge and type of separation (i.e. separation or retirement)
- Must be certified within 120 days of anticipated discharge
- Signature by, or by direction of the adjutant, personnel office, unit commander, or higher headquarters commander. Note: VOW Act provide tentative preference. If appointed, a DD214 must be submitted upon receipt.

NOTE 3: Most recent or prior DD214s (to validate 3 or more years of continuous service), or NGB Form 22, that reflects character of service, or release/final military discharge or retirement that reflects character of service. Active duty military within 120 days of separation must provide a Separation Order, Retirement Order, or Certificate of Service from your military personnel office verifying retirement/ separation date and that reflects character of service in lieu of DD214.

NOTE 4: If claiming 10-point veterans' preference submit: SF-15 claiming 10-point preference and an official statement, dated 1991 OR later, from the Dept. of Veterans Affairs or from a branch of the Armed Forces, certifying to the veteran's present receipt of compensation for service-connected disability or disability retired pay OR An official statement/letter, dated 1991 OR later, from the Dept. of Veterans Affairs OR from a branch of the Armed Forces, certifying that the veteran has a service-connected disability of 10% or more DD Form 214, or NGB Form 22, documenting award of campaign badge or Armed Forces Service Medal (if applicable)

NOTE 5: Veterans who were released completing 2 years and 11 months of service of a 3-year tour are considered to be eligible. ("Active service" defined in Title 37, United States Code, means active duty in the uniformed services and includes full-time training duty, annual training duty, full-time National Guard duty, and attendance, while in the active service, at a school designated as a service school by law or by the Secretary of the military department concerned)
